

Notes of a Naturalist in the Nile Valley and Malta: A Narrative of Exploration and Research in Connection with the Natural History, Geology, and Archaeology of the Lower Nile and Maltese Islands (Classic)

By Andrew Leith Adams

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. Excerpt from Notes of a Naturalist in the Nile Valley and Malta: A Narrative of Exploration and Research in Connection With the Natural History, Geology, and Archaeology of the Lower Nile and Maltese Islands I am well aware that such doctrines can have no advocates among the liberally educated portion of the profession or public generally; while, unquestionably, there are many who would take no exception to one's leisure hours being spent in idleness or in pursuit of pleasure. To individuals given to this mode of computing the business excellence of others, I desire to apologize for having spent a certain portion of my leisure time in the cultivation of the natural sciences; at the same time reminding them of the memorable words of Cicero, when offering an excuse for having devoted an occasional leisure hour to the study of elegant literature - words pertinent to these remarks, as they are hallowed to me from other associations than any referring to my own insignificant labours, - Quare quis tandem me reprehendat, aut quia mihi jure succenseat,...

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- *Felicia Nikolaus*

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
