Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Creative Teaching Press, United States, 2015. Paperback. Book Condition: New. 221 x 150 mm. Language: Spanish . Brand New Book. Learn to Read Spanish books are written to provide ample support for readers while expanding Spanish vocabulary, building reading fluency, and developing knowledge across the curriculum. Students will delight in the repetitive language, predictable story lines, and colorful illustrations while reinforcing their reading comprehension and Spanish language proficiency. Carefully leveled, they are a complement to any beginning reading program and will round out any classroom or school library. Each book features a skills grid that details the skills covered in each book including: sight words, phonics concepts, vocabulary words, content-area skills, and other related learning skills. These books are also great for children at home who are learning Spanish or learning to read in Spanish.
